The streets of Watkins Glen and Schuyler County are the birthplace of American road racing. Having played host to international automobile road racing since 1948, the tradition continues annually with the Grand Prix Festival, when classic racecars take to the streets in Watkins Glen.

The road course track at Watkins Glen International hosts today’s pros from NASCAR to Vintage Cups, offering racing buffs the ultimate high-octane, family-friendly racing experience. In fact, Watkins Glen International was voted the Best NASCAR Track in the country in 2015 in a USA Today Reader’s Choice Poll.

The track is just 4 miles from downtown Watkins Glen, where fans can experience NASCAR, IMSA, Ferrari, and U.S. Vintage Grand Prix racing, as well as the Finger Lakes Wine Festival and Finger Lakes Beer Festival. Visitors can even drive their own vehicle around the actual race circuit. Watkins Glen International welcomes guests virtually every day between April and October.

Watkins Glen will forever have a place in racing history. On October 2, 1948, Watkins Glen hosted the first road race run since before World War II. The 6.6 mile circuit ran through the village streets, starting and ending in front of the Schuyler County Courthouse. Visitors can download the map of the original circuit and step back in time as they drive the same course that first put Watkins Glen on an international stage all those years ago.

WATKINS GLEN DRIVERS WALK OF FAME
The Watkins Glen Drivers Walk of Fame was established by the Historic Racing Committee, the Schuyler County Chamber of Commerce, and Watkins Glen International in 1993 to honor the great drivers who have competed on the Glen’s world famous circuit since 1948. The core markers are located in the east and west sidewalks along Franklin Street. To be considered for induction into the Walk of Fame, a driver must have driven in competition at one of the four race courses used at the Glen since 1948. The first person inducted into the Walk of Fame was the man whose vision it was to bring racing to Watkins Glen, Cameron Argetsinger. His block was placed at the original racing start-finish line in front of the Schuyler County Court House in 1993. Today, 116 men and women who raced at Watkins Glen are honored in the Walk of Fame.

DRIVE THE GLEN
Experience Watkins Glen International from the driver’s seat! Find out what it feels like to drive this storied road course while piloting your personal vehicle (sorry, no motorcycles) around the 3.4-mile Grand Prix circuit behind a paced vehicle. After two laps, your guide will stop at the Start/Finish line so you can take your picture. Purchase your pass ($25) at The Shop (2 North Franklin Street, Watkins Glen) or at Gate 2 (Main Track Entrance). For more information, please call 607-535-2338.

VINTAGE GRAND PRIX FESTIVAL
Held in September each year, the Vintage Grand Prix Festival is a downtown street festival (marking its 23rd year in 2016) that celebrates the history of road racing, specifically, the anniversary of the first post-World War II street race in America – held right here in Watkins Glen. On October 2, 1948, race founder Cameron C. Argetsinger’s vision came to life with a 6.6 mile circuit that ran through the village streets, starting and ending in front of the Schuyler County Court House. The Grand Prix Festival continues to honor Mr. Argetsinger’s contribution to racing and the proud history of Watkins Glen. Vintage cars arrive from across the country and in fact, across the world, to participate in the slate of events – the crowning jewel of which is the historic re-enactment of the road race. The festival isn’t just for race fans though, it features vendors of all kinds, delicious food, and plenty of entertainment for guests of all ages and interests.

WATKINS GLEN AND SCHUYLER COUNTY can best be described as that place where Mother Nature meets Main Street. Watkins Glen State Park in the heart of downtown Watkins Glen offers a breathtaking walking experience of cliffs and waterfalls. Within two miles, the water descends 400 feet past 200-foot cliffs, generating 19 waterfalls along its course. It was voted the #3 State Park in the Country in 2015 in a USA Today Reader’s Choice Poll.

The gorge path winds over and under waterfalls and through the cascading spray of caverns. Rim trails overlook the gorge. Campers and day visitors can enjoy the Olympic-size pool, summer tours through the gorge, tent and trailer campsites and picnic facilities.

Outside of the park, other outdoor opportunities await. The Finger Lakes National Forest is nestled between Seneca and Cayuga Lakes. It is the only national forest in New York State, one of only three in the Northeast, and it is expansive – covering 16,032 acres.

The Catharine Valley Trail is a year-round recreational trail that accommodates walking, bicycling, cross country skiing, and snowshoeing through the glacially-carved valley south of Seneca Lake.

Located 7 miles west of Watkins Glen, Sugar Hill State Forest covers approximately 9,085 acres and offers an abundance of recreational activities. There are miles of trails for hiking, snowmobiling, and horseback riding.

Water activities are also abundant on our many lakes and waterways including Seneca, Cayuta, Waneta, and Lamoka Lakes where you can find sailing, boating, paddling, swimming, fishing, and more. Catharine Creek boasts one of the best salmon runs in the area each spring. Local guides and outfitters can provide expert advice, gear, and even offer guided trips.
Find yourself at Farm Sanctuary.

Farm Sanctuary offers 175 acres and hundreds of animal friends to visit (and take selfies with).

Connect with some of the 500 rescued farm animals that call the rolling green pastures of Farm Sanctuary’s 175-acre New York Shelter home.

Open May through October. For tour hours and directions, please visit farmsanctuary.org or call 607-583-2225.
