Drinks for Your Table: Treat your table to a tray of 1920's cocktails. Each tray includes two of the following:

Sidecar - An entrancing mixture of brandy, lemon juice and orange liqueur that is complex enough in flavor to satisfy even the most jaded palates.

Ward Eight - A classic whiskey sour with a hint of grenadine, which adds a touch of sweetness.

Shirley Temple - This non-alcoholic drink is refreshing with the combination of ginger ale, grenadine, and lime.
