CELEBRATE THE ARRIVAL OF QUEST ADVENTURE GAMING IN WATKINS GLEN

WATKINS GLEN, NY – Join the Watkins Glen Area Chamber of Commerce to celebrate a ribbon cutting at Quest Adventure Gaming on Thursday, May 31 at 5pm. Quest Adventure Gaming is located at 607 N. Franklin Street in downtown Watkins Glen.

Quest Adventure Gaming is the newest attraction in Watkins Glen. Redefining live-action gaming with an exciting twist on escape room adventures, Quest offers two engaging and immersive opportunities for participants to solve puzzles and beat the clock in order to win the day. If escape rooms aren't your style, they also offer a thrilling starship simulator, which places a crew of players in command of a space-bound vessel. In the coming months, look forward to other live-action gaming events at both their storefront in Watkins Glen and in the community beyond.

Owner Alex Richmond (who is also a history teacher at Watkins Glen High School) is looking forward to opening the doors at this very unique experience. Alex shares, "Quest Adventure Gaming is excited to open its doors in beautiful Watkins Glen this June. Join us for exciting escape rooms, simulators, and other live-action games and experiences that will offer quality entertainment in the heart of the Finger Lakes... Because we all need a little more adventure!"

Chamber President and CEO Rebekah Carroll adds, "I cannot wait to celebrate the grand opening of Quest Adventure Gaming! Alex has lots of unique ideas and exciting things planned – his energy is contagious. This is a great new asset to our community and I hope everyone will join us in celebrating the grand opening!"

The ribbon cutting ceremony will take place at 5pm. Refreshments including local wine tasting and snacks will be served immediately following the ceremony, along with the opportunity to meet the owner, see the space, and learn more about the exciting things that Quest Adventure Gaming brings to our community.
