## **Watkins Glen Area Chamber of Commerce Introduces Chamber Ambassador**

Watkins Glen, NY – The Watkins Glen Area Chamber of Commerce is excited to introduce Chamber Ambassador Kim Wilson of Wallin Insurance.

Kim joined the Wallin Insurance team in 2016, bringing with her many years of sales and excellent customer service experience. As the Director of New Sales, Kim meets with prospective clients, offers them competitive insurance quotes, and then welcomes them to the agency. She has a property and casualty license for both personal and commercial insurance. She can help everyone with their insurance needs.

Kim's drive to help people led her to the insurance industry (and specifically Wallin Insurance, "Where you have a friend in the business!") and the Ambassador Program with the Chamber. She shares, "I look forward to helping other members and ensuring that they are utilizing all of the amazing resources and tools that the Chamber provides."

Kim has a Bachelor of Science in Organizational Management from Keuka College. She enjoys spending time with her friends and family. As a lifelong resident of the Southern Tier, she values the beauty and culture that the Finger Lakes has to offer. Kim and her husband, Darren, are proud to be raising their son in this wonderful area. When she isn't working you can find her with her family, walking her dogs, listening to music, playing games, going to the movies, or playing trivia.

The Ambassador Program was introduced in January 2014. Ambassadors connect with different members to serve as an avenue of communication and information between the Chamber and its members, and vice versa. Among other things, the Ambassador Program ensures that the Chamber reaches out and touches each and every member in a calendar year, and it is integral in the continued growth of our membership and community.
