August Think Tank at the Watkins Glen Area Chamber of Commerce

Watkins Glen, NY – Did you know that this is the first time in history that ***FOUR*** generations are in the workforce at the same time? While some may view this as an irritant, others know that this is an exciting time, filled with possibilities to learn and grow from generations that are different than your own. Join the Watkins Glen Area Chamber of Commerce at our next Think Tank on August 8, featuring Judith Rowe from Judith C. Rowe Consulting as we dive into the topic of the Multigenerational Workforce.

This session will provide general information and context about the four generations and how they can show up in the workplace. With patience, knowledge, and understanding, the goal is to have participants leave the session with ways to leverage the perspectives, and unique ideas of each person, no matter the generation.

Date: Tuesday, August 8, 2017
Time: 8am – 10am
Location: Watkins Glen Area Chamber of Commerce Conference Room

Think Tanks begin with an educational component including plenty of time for questions and answers. These events always conclude with a lively roundtable discussion. There is no cost to attend. Think Tanks are offered as a complimentary benefit to members of the Watkins Glen Area Chamber of Commerce. RSVPs are requested by Monday, August 7. Please contact Events Manager Anna Rainous at 607-535-4300 or email anna@watkinsglenchamber.com.

Think Tanks are held monthly on the second Tuesday, with times alternating between 4-6pm for odd months and 8-10am for even months. The Watkins Glen Area Chamber of Commerce strives to advance economic vitality by providing promotion, education, and support for its members and the community. In furtherance of this mission, the Chamber presents many educational opportunities throughout the year for local businesses and organizations, Think Tanks are just one of these opportunities.
