### **Chamber Announces Business Expo & April After-Hours Mixer**

The Watkins Glen Area Chamber of Commerce is pleased to announce the 12<sup>th</sup> Annual Business Expo presented by Elmira Savings Bank, along with the April After-Hours Mixer – and we invite members of the community to attend!

**Date:** Wednesday, April 19, 2018  
**Time:** 4:00pm – 7:00pm  
**Where:** Watkins Glen Community Center  
155 S. Clute Park Drive  
Boat Launch Road, Watkins Glen

The Business Expo begins with a showcase from 4:00pm to 5:00pm, which is open to the public and free to attend. During this time attendees have the opportunity to build relationships with businesses and learn more about the unique products and services available from members of the Watkins Glen Area Chamber of Commerce. Vendors are able to sell their pre-packaged products. Join us to visit with the many area businesses who will be in attendance!

A number of participating businesses have announced special promotions, services, and giveaways that they'll be offering during the event! Just a few of these include:

- Child Care Aware of Steuben and Schuyler will be collecting names and drawing a winner to receive a scratch-off tree, full of scratch-off tickets!
- Finger Lakes Distilling will offer samples of their craft spirits and also selling by the bottle!
- GST Boces will have their Cosmetology Program on-site, providing mini manicures – free of charge!
- Wallin Insurance Agency, Inc. will be giving away umbrellas and drawing a winner for a gift card!

At 5:00pm the event transitions into the Chamber's monthly After Hours Mixer, sponsored by Chemung Canal Trust Company, with a cash prize drawing, as well as a raffle for items from each participating vendor business or organization. Refreshments will be available during the mixer portion of the event.

Watkins Glen Area Chamber of Commerce President/CEO Rebekah Carroll invites Chamber members as well as the community at large to attend, "This highly anticipated event offers networking and business opportunities which are invaluable. We welcome members of the community to attend and learn about the goods and services that are available to them locally."
