CHANGE THE TRAJECTORY OF YOUR LIFE WITH "TRANSFORMATIVE LEADERSHIP"

Watkins Glen, NY – Co-sponsored by the Chamber and facilitated by Rhonda Morton of Savannah Consulting, Transformative Leadership is an immersive, intensive deep dive into self-awareness and transformative leadership for up to ten middle or senior managers, emerging leaders, or business owners who want to change the trajectory of their lives and careers, and their organizations' effectiveness.

The program includes a FEBI work-style/personality assessment and report, 360-degree workplace assessments, ten hours of group workshops, and three 90-minute individual coaching sessions, spaced out over a ten-week period for maximum integration and synthesis of your learning.

Workshops begin in October, but the time to register is now! A Super Early Bird Discount is available through August 1 *only*. Register by August 1 and the cost is just \$699. Chamber members receive an additional 10% off, bringing the chamber member registration to just \$630 when registering by August 1. The time to register is now!

Wondering if this is the right fit for you? Chamber Ambassador Eileen Peet, who is an account executive with Vasco Brands, shares, "I would recommend Rhonda to anyone looking to grow professionally or personally. Within our first meeting, she was able to pinpoint some of my weaknesses and coach me on how to overcome them."

For more information including workshop dates and times, details, and registration, please visit: www.possibilityapplied.com/transformative-leadership
