**WATKINS GLEN AREA CHAMBER OF COMMERCE ANNOUNCES
COFFEE CONNECTIONS**

Watkins Glen, NY – The Watkins Glen Area Chamber of Commerce has only recently launched their newest networking and information sharing, bi-monthly event called Coffee Connections, intended for both Chamber members and potential members. Hosted at the Chamber’s conference room in downtown Watkins Glen, the next Coffee Connections is scheduled for Tuesday, June 4, and will begin at 9:00 a.m.

Coffee Connections are relatively short sessions where potential members can learn about the benefits of Chamber membership, meet other current and future members, and hear directly from them about their experience, as well as network with potential business partners. Current members can learn more about the benefits of Chamber membership, to ensure that they are leveraging all of the benefits that are available to them and also meet fellow members to explore potential partnerships and business connections. Plus, this is a wonderful chance to interact with Chamber staff and keep them informed of your business developments, needs, and more while sipping on a delicious cup of Seneca Sunrise coffee!

Attendees are encouraged to bring business cards, questions about the Chamber, our membership, or our dynamic county and new ideas for how we can enhance our business community. Participants are also encouraged to bring a sampling of marketing materials.

Past, present, and potential future members are encouraged to RSVP for this informal networking session by either calling the Watkins Glen Area Chamber of Commerce at 607-535-4300 or via email: marybeth@watkinsglenchamber.com
